"If any person or persons shall make any bet or wager upon the result of an election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the Commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 2d day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th and 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election.'

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1866: AN ACT, Regulating the mode of voting at all elections, in the several counties of this Commonwealth.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That in all elections hereafter to be held in this commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability, imposed by said act of Congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot, or ballots.

Election officers will take notice that the act entitled "A Further Supplement to the Election Laws of this Commonwealth," disqualifying deserters from the army of the United States from voting, has recently been declared unconstitutional by the Supreme Court of Pennsylvania, is now null and void, and that all persons formerly disqualified thereunder are now lawful voters, if otherwise qualified. The act decided unconstitutional by the Supreme Court provided as follows:

"A FURTHER SUPPLEMENT TO THE ELECTION LAWS OF THIS COMMONWEALTH.

Whereas, By the act of the Congress of the United States, entitled "An Act to amend the several acts heretofore passed, to provide for the enrolling and calling out the national forces, and for other purposes," and approved March third, one thousand eight hundred and sixty-five, all persons who have deserted the military or naval service of the United States, and who have not been discharged, or relieved from the penalty, or disability therein provided, are deemed, and taken, to have voluntarily relinquished, and forfeited, their rights of citizenship, and their rights to become citizens, and are deprived of exercising any rights of citizens thereof:

And whereas, persons, not citizens of the United States, are not, under the constitution and laws of Pennsylvania, qualified electors of this commonwealth:

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That in all elections hereafter to be held in this commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability, imposed by said act of Congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot, or ballots.

Section 2. That if any such judge and inspectors of election, or any one of them shall receive, or consent to receive, any such unlawful ballot, or ballots, from any such disqualified person, he, or they, so offending, shall be guilty of a misdemeanor, and, upon conviction thereof, in any court of quarter sessions of this commonwealth, he shall, for each offence, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment, in the jail of the proper county, for not less than sixty days.

Section 3. That if any person deprived of citizenship, and disqualified as aforesaid, shall, at any election, hereafter to be held in this commonwealth, vote, or tender to the officers thereof, and offer to vote, a ballot, or ballots, any person, so offending, shall be deemed guilty of a misdemeanor, and on conviction thereof, in any court of quarter sessions of this commonwealth, shall, for each offence, be punished in like manner as is provided in the preceding section of this act, in the case of officers of election receiving such unlawful ballot, or ballots.

Section 4. That if any person shall hereafter persuade, or advise, any person, or persons, deprived of citizenship, and disqualified as aforesaid, to offer any ballot, or ballots, to the officers of any election, hereafter to be held in this commonwealth, or shall persuade, or advise, any such officer to receive any ballot, or ballots, from any person deprived of citizenship, and disqualified as aforesaid, such person, so offending, shall be guilty of a misdemeanor, and upon conviction thereof, in any court of quarter sessions of this commonwealth, shall be punished in like manner as is provided in the second section of this act, in the case of officers of such election receiving such unlawful ballot, or ballots.

YOU ALL

HAVE HEARD OF

HOOFLAND'S GERMAN BITTERS,

AND

HOOFLAND'S GERMAN TONIC.

Prepared by Dr. C. M. Jackson, Philadelphia.

Their introduction into this country from Germany occurred in

1825.

THEY CURED YOUR

FATHERS AND MOTHERS,

And will cure you and your children. They are entirely different from the many preparations now in the country called Bitters or Tonics. They are no tavern preparation, or any thing like one; but good, honest, reliable medicines. They are

The greatest known remedies for

Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,

and all Diseases arising from a Disordered Liver, stomach, or

IMPURITY OF THE BLOOD.

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

All these indicate diseases of the Liver or Digestive Organs, combined with impure blood.

HOOFLAND'S GERMAN BITTERS

is entirely vegetable and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made, are gathered in Germany. All the medicinal virtueus are extracted from them by a scientific Chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

HOOFLAND'S GERMAN TONIC

is a combination of all the ingredients of the Bitters, with PURE Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in case where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY.

There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone, strengthen and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These remedies are the best

Blood Purifiers

ever known and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no diseases will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything, you must try these preparations.

FROM HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, March 16, 1867.

I find that "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system.

Yours Truly,
GEO. W. WOODWARD.

FROM HON. JAMES TAOMPSON.

Judge of the Supreme Court of Pennsylvania.

PHILADELPHIA, April 28, 1866.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it.

Yours, with respect,
JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD,
Eigth, below Coates Street.

CAUTION.

Hoofland's German Remedies are counterfeited. The Genuine have the signature of C. M. JACKSON on the front of the outside wrapper of each bottle, and the name of the article blown in each bottle. All others are counterfeit.

The tonic is put up in quart bottles.

MY BEAU IDEAL.

INSCRIBED TO——

I met her, but I dared not greet,
Though fain I'd worshipped at her feet—
Yea! kissed the dust, she was so sweet,
The fascinating creature!

She knew it not, nor will she ever know
Who at her shrine would bow so low;
The Fates forbid, and mine is woe,
Ah! inauspicious feature!

Her matchless beauty set my soul on fire;
Her sylph-like form did love intense inspire,
And filled my soul with vast desire—
Oh! futile dream!

A goddess lithe from out enchanted bowers,
Or fairy queen from land of flowers,
Where fragrant fall perennial showers,
The nymph did seem.

She tossed her head and passed me by,
And left me there to muse and sigh—
For strangers we—Oh! ask not why—
Or why this dearth.

But yet that bright vision of the past
That took my heart a captive fast,
Will hold it spell-bound to the last—
Until the last of earth.

RABIDNESS OF RADICAL RULE.

The overbearing rabidness of Radirule in this country is getting to be almost unbearable, and all lovers of the Union and respecters of the Constitution begin to see the true situation of affairs, and are organizing against this accursed Jocobinism.

It has been a noted and aspiring idea of Puritanical hate to misrule and rabidly overbear in every event of being placed in power in this country. From the "blue laws" of Connecticut down to the worse than fellon's chains they have put upon the necks of the people of the South in the shape of laws and negro troops, their course is marked with inconsistency and their true spirit exhibited.

The spirit of Jacobinism is to stir up strife!

It was the hate and intolerance of puritanical New England that occasioned the late war.

It is the damnable rabidness of Radical rule that is forcing negro suffrage on the South at the point of the bayonet.

It is the spirit of overbearing petty tyrants that is manifest in all the dealings and measures adopted for reconstructing the Southern States.

It is the Radical hell-hounds and carpet-bagging infidels who discard the Golden Rule and imploously declare laws for one portion of the country which they vote down in their own section.

Nothing is too bad for Radicalism to attempt!

The leaders of the party are liars, thieves, pimps, and murderers, who carry their schemes by the aid of illegal negro votes, and for fear of being defeated they abolish the right of Presidential electors in three States and transfer the right to three well-known Radical legislatures.

They declare it a crime in three States to vote for President, simply because those States are Democratic, thus doing away with a constitutional and GOD given right.

Six States are thus declared by Radicals against Democrcy in advance.

They declare that there shall be no Union, except that it gives to them military, political and social domination over all classes and sections.

The Constitution has been ignominiously set aside and the powers of the Supreme Court assailed by the rabidness of these ruffians.

The constitutional rights of the President have been curtailed by this mob of fanatical law breakers, and we must rally at the November election and destroy this party root and branch, for if they are successful, their deviltries will be doubled and the American people will be so persecuted that more vigorous and bold measures will have to be adopted for their riddance.

We have shown only a small part of the rabidness, fury and hate that characterizes the progress of the Radical party, and now we call upon American freemen, to come forward in the majesty and grandeur of their MIGHT, and by a united effort in behalf of glorious Democratic principles in November, strike this gouhl Radicalism, dead. It is a shame upon the American people to stand idly by and allow such outrages against freedom and the rights of States to be perpetrated with impunity.

We dwell at length upon these outrages on the Constitution and laws, in the hope of enlightening the poor tax payers of the country—to show them the crime of further insulting this country by electing any man from that party, and that the sacred right of justice demands that the Democracy shall triumph. In this event, all will soon be peace and prosperity, and the more complete and overwhelming it is, the longer it will be before this country is again allowed to be cursed with Jacobinism and the rabid rule of a Radical "God-and-morality" party.

SOLDIER, A WORD WITH YOU!

We met you on the bank of the James in 1864. Have you forgotten it? It was in October of that year; the steeples of Richmond and Petersburg were in sight; it was the night after an attack on the Danville Railroad. As there was but one attack in that month, of that year, you cannot fail to recollect the time. You were one of the slightly wounded, and lay in hospital when we met you. We had a conversation relative to the war, and its management.

You said you were fighting for the Union. We said that you would never get Union save at the hands of the Democratic party. You said there would be Union the moment armed opposition to the government ceased.—We said that the party in power cared nothing for the Union. That they went into the contest for negro supremacy, and the spoils of war. That there was no hope of a cessation of hostilities, as long as the radicals ruled, and there should be spoils to get, and negroes to evalate(?).

You said you believed we were deceived, and that if it proved otherwise you would come over square and pat upon the democratic platform.

We said that the Rads cared more for the negro than for you, and that you would discover it sooner or later.

You said that the government would take care of its soldiers.

We said that the abolition hell-born government didn't care a nickel cent for its soldiers, only to use them for its own aggrandizement.

How is it?

Don't say you won't talk with us.

Stand fare and square on your declaration.

Look the facts in the face.

You were told that there would be Union the moment armed opposition ceased. Armed opposition ceased more than three years ago. Is there Union?

You were told that the rights of the States were to be left intact; that the general government would not seek to subjugate, it only sought to conquer armies. How has the promise been fulfilled?

What of freedmen's bureaus? What of enacting negro suffrage by the general government? What of interfering in elections? What of removing officers which the people had elected?

It was comparatively of little moment whether negro suffrage carried in Ohio and other Northern States or not. Yet the people voted it down. Yet, did not the Radical representatives of these same people impose, force, thrust negro suffrage on the South at a time, and in such a manner as to make negro suffrage negro supremacy?

What shall we call subjugation?

What deed was ever done on earth more damnable, more hell-impregnated, than this?

Will you sanction it?

Will you have anything further to do with men who can conceive such a monstrosity?

Another thing.

It concerns *you*.

How does the government take care of its soldiers?

You cannot be rich.

You were in the ranks.

You have a little home of your own it may be. Perhaps you work from morning till night, for the necessaries of life. You trusted the Radical tyrans to take care of you. Surely you had some reason. But how stands the case?

Negroes are cared for. Those who staid at home and cheated you, are cared for.

But you are left out in the cold, now that you have been used. You must pay taxes, to support the elegant equipage, and luxurous larder of the bondholding aristocrats. The kind of money that is good enough for you is not good enough for them. So say your Jacobin friends.

Now, *soldier*, this is a land of liberty. Every man who has been wronged, has a right to turn upon those who wronged him, and demand justice. It is no disgrace to a man that he has been deceived. There is an opportunity now to get—

Satisfaction for the past.
A perfect Union.
White man's government.
One kind of money for all.
Equality of States.
Taxation to all alike.

by voting the straight Democratic ticket.

If you wanted the Union enough to fight for it, you do assuredly continue to want it enough to vote for it. *Vote for* HORATIO SEYMOUR *and you will have it.*

"REFLECT!"

Wavering Republicans! Reflect for a moment! This is the first Presidential election since the war! and yet the rebels ask to be rewarded for attempting to destroy the Union and putting its defenders to an expense of oceans of blood and three billions of treasure, by being intrusted on the very first occasion with its management and control! —*Chicago Post.*

"Wavering Republicans, reflect for a moment," that this is the third year in peace and according to the official statements of the Secretary of the Treasury, the national debt has increased under Jacobin management TWENTY-EIGHT MILLION DOLLARS within the past nine months, and over THIRTEEN MILLIONS in the past two months!

Indeed, it is high time for every doubting man to "*reflect*" on this unparalleled increase of debt, and that too at a time when no extra demands should be made on the Treasury for means to carry on the affairs of the Government.

"Wavering Republicans, reflect!" you are honest. You want to know what is done with all the money. We will tell you.

Millions of dollars are wasted in supporting Negro Bureaus in the South, in feeding lazy negroes while white men are made toil and pay taxes for the maintenance of these institutions.

Millions of dollars are expended in supporting a standing army in the South to defend carpet-bag governments and force negro suffrage upon unwilling white men.

Millions of dollars are wrung from the people in taxes payable in gold, to support a bonded aristocracy.

Millions of dollars are plundered from the Treasury by Jacobin Congressmen to pay for gold pens, pocket knives, &c.

"Wavering Republicans, reflect!" that unless you vote this fall to place new men in Congress—men who have been reared in the school of economy—men of the Democratic party—this increase in debt will go on from year to year till you and the country will become completely bankrupt.

"Wavering Republicans, reflect for a moment, that this is the first Presidential election since the war," and if you would have retrenchment in the conduct of the government, equal taxation and low tariffs you must discard the Jacobin party which like the wiley serpent coils itself about you as if in fond embrace only to crush out your very existence.

Then vote for the Democratic candidates for President and Vice President, without further *wavering!*

SHALL WE?

Eight years, or nearly eight, have passed since the late lamented was elected President of the United States.

United States!

They were, indeed. Sweet the memory. Is there a heart that does not pulsate more rapidly, as the memory comes freighted with recollections of that good old time? Is there an American citizen, North, South, East or West, foreign or native born, who does not sigh long and deep at the remembrance of the dear old Union?

Eight years ago this Fall, in consequence of divisions in the Democratic party, Mr. Lincoln was elected to the Presidency.

Say, if you will, that there was an error of judgment on the part of the South in going.

Say (what we will never say) that the war was conducted wisely by the managers, on the part of the North.

Say that every iota of blame rests on the heads of Southern men.

Say that the Radicals have not stolen, intrigued, plundered, and needlessly tormented.

Say that Lincoln was a fine specimen, every way fitted for his high office, and worthy all affection by the American people.

Say that Beast Butler is an angel.

Swear all that the *Tribune* insists that it is necessary to swear, touching the holiness of eminent Radicals, and the wickedness of Democrats;

Swear that the National debt is a National blessing;

And yet—

Brother Democrats:

Workingmen:

Honest men:

Say—

Deliberately, calmly, honestly, unflinchingly; say whether the reign of the Radicals has not been the greatest curse which ever darkened America. Say whether the Union that *is*, is not immeasurably worse than the Union that *was*. We do not seek to excite. We do not want another war, but we want the people to *think*. There is always a large amount of sophistry in a heated canvass like the present. There is lying freely, pointedly, squarely and muchly. A great deal of fog is raised to blind the eyes of the people. But there is *one* test that cannot be concealed. No fog can hide it, no clouds obscure it, no dust to settle upon and cover it. *By their fruits ye shall know them.* Speak it in the streets; sound it on the hill-sides; publish it in the valleys; let the wings of the wind bear it everywhere.

The test is the result. It is before us. Before us in one million green graves. In one hundred thousand soldiers. In one hundred thousand widows. In a nation torn, bleeding, and outraged. In a debt of $3,000,000,000.

Shall we continue an experiment which has proved so costly? Shall we?

Not beyond March 4, 1869.

THE PROOF.

What the Army Costs.

Look At These Figures.

The Philadelphia *Ledger* has a high reputation for honesty. The people of Pennsylvania know that it would not publish any false statement in reference to the expenditures by the Government. Its figures can always be implicitly relied upon as being perfectly correct.

Its issue to-day contains the following despatch from Washington:

Secretary Stanton in his report of December, 1865, gave as the cost of the War Department for the peace organization the sum of THIRTY-THREE MILLIONS OF DOLLARS. From official records it is shown that the War Department in the three years since the close of the war has cost SIX HUNDRED AND TEN MILLIONS OF DOLLARS, or more than six times the estimate of Mr. Stanton.

That is at the rate of over *two hundred millions a year.*

Stanton deliberately lied about the cost of the army.

Radical newspapers and stump speakers deliberately lie about it every day.

They do this to deceive the people.

Grant is Stanton's candidate.

Grant lied to President Johnson, to keep Stanton in the War Department.

Grant must have known that the people were being deceived in reference to the cost of the army.

Is such a man fit to be made President?

The Democratic editors and speakers have been charged with exaggeration when they asserted that the army was costing one hundred and fifty millions a year.

The figures show that their estimate was fifty millions short of the actual sum.

What is this vast and expensive army doing?

Are not a few naked Indians roving at will all over the far west, scalping men, murdering innocent children and ravishing white women?

Where is this army which has cost *six hundred and ten million dollars in* time of Peace, and what is it doing?

Does any one need to ask?

Does not every voter know it was employed in propping up negro state governments in the South?

This is the kind of peace we are to have under Grant.

How do you like it, Reader?

Will you vote for it?—*Lacrosse Democrat.*

NOW FOR VICTORY!

Our ticket is made up.
Our forces are in line.
Every man is at his post.
Stand to your guns.
We will never surrender,
The right must prevail,
Go to work.
Convince your radical neighbor that he is wrong.
Distribute Democratic newspapers and Documents.
Talk to the young men who are about to cast their first vote.
Visit every house in your school district.
Get an accurate list of the votes in the district and forward them to the chairman of your county committee.
Do not wait for your neighbor to act but do it yourself.
To work then.
Do not delay a day.
Perfect your organization.
Organize your school district clubs.
Attack the common enemy.
Attack in front.
In flank.
In rear.
Assail him at every point.
No armistice.
No lagging.
No quarter.
Charge for victory.

Stealing at a Dead Congressman's Funeral.

Hon. Philip Johnson, a member of the 39th Congress, died in Washington, and his body was sent home to Easton, Pa., at Government expense. The Radical Congress appropriated $2,775 to pay the Sergeant-at-Arms and undertaker's bill. Among the items we find these:

CONGRATULATORY ADDRESS.

DEMOCRATIC STATE COMMITTEE ROOMS,
903 ARCH STREET, PHIL'A.

To the Democracy of Pennsylvania:

The sturdy Democracy of Maine have covered themselves with glory.

In the very citadel of Radicalism they nave demonstrated that you are upon the eve of a magnificent victory.

The two parties were last arrayed at the polls upon national issues in 1866. Maine then polled a vote nearly equal to her vote of 1864, while Pennsylvnia polled her largest vote.

In 1866 Radicalism received in Maine 69,637 votes. In 1868 it receives, as they themselves estimate, 75,002 votes. This is an increase of 8 per cent. upon the vote of 1866.

In 1866 Democracy there received 41,947 votes, and in 1868 it receives 55,725 votes. This is an increase of 30 per cent. upon the vote of 1866.

In 1866 Radicalism received in Pennsylvania 307,271 votes, and Democracy received 290,096 votes.

Apply the test of Maine to this vote, and Radicalism will receive in Pennsylvania an increase of 8 per cent., or 24,581 votes, making a total of 331,555 votes, and Democracy will receive an increase of 30 per cent., or 87,028 votes, making a total of 377,124 Democratic votes, showing that we will have a clear Democratic majority of 45,269 votes.

Whilst the totals shown by this estimate are too large for the vote that we will cast in October, no man who knows the condition of public sentiment in Pennsylvania will assert that the relative proportion will be lessened.

Maine voted for John C. Fremont, yet James Buchanan was elected President, and Pennsylvania led the column of States that made him the Chief Executive of the nation.

The hope of the Republic is in the Democracy of the Keystone.

As in 1856, the responsibility of determining the contest now rests with you.

Maine has proven that you can again bring triumph to the principles you love.

Let us arouse to renewed energy and more determined effort.

By order of the Democratic State Committee.

WILLIAM A. WALLACE,
Chairman.

DEMOCRATS, ATTEND TO YOUR ASSESSMENTS!

ARE YOU READY?

Every Democratic vote in this county must be polled on the second Tuesday of October. Democrats of the several election districts, *are you ready to get the very last Democratic voter to the polls?* Are your men assessed? Have they paid a state or county tax within two years? Have your foreign-born friends their naturalization papers? Have you informed the soldiers formerly disfranchised under the "deserter" law, that they are no longer disfranchised? In short, have you organized? If not, see to these things. Don't stop for a little time, or a little money, for each of you can well afford to spend some of both to get rid of the blood-suckers that now tap your veins at every pore. If you are in earnest, say so by your actions, that we may know *who* does and who does not intend to let the Radicals carry us to the devil. *We are in earnest;* we shall see *who* is not.

ARE YOU A DEMOCRAT?—WORK FOR THE CAUSE.

HE THAT IS NOT FOR US IS AGAINST US.

John Cessna is a deserter from the Democratic ranks. He went over to the enemy in the heat and fury of the battle. Ambitious as Lucifer, treacherous as Judas, false as Arnold, he betrayed the party from which he sucked political life, and in the darkest hours of that party's history turned upon it and aimed his traitor stroke at its life. A chasm yawns between him and the party he stabbed in the back, in which every man calling himself a Democrat who now goes over to his support, must and will perish. The man who votes to send to Congress John Cessna, the advocate of Impeachment, of Military Despotism, of Negro Suffrage and Negro office-holding, and of all the monstrosities of Radicalism, is not a Democrat. As well might George Washington have tolerated the presence, in his army, of a man who endorsed the treason of Benedict Arnold, as the Democratic party to recognize and trust the man who calls himself a Democrat and votes for the arch-traitor Cessna. The ballot-box will show whether there are any such men *and who they are.* The chaff will be winnowed from the wheat. The false will be separated from the true. The Democratic party has hitherto dealt too gently with traitors in its own ranks. It has forgiven and forgotten many sins of its members. But one sin it will never forgive—*the endorsement, by any of its adherents, of the miserable ingrate whom it warmed into life in its own bosom, and who, when he had sucked its nourishment, reptile-like struck at its life.* If any man, calling himself a Democrat, prefers John Cessna to the Democratic party, he is welcome to his choice. *But this choice he must make.* He that is not for us, is against us.

DEMOCRATS, ATTEND TO YOUR ASSESSMENTS!

WHY STAND WE HERE IDLE?

You are a Democrat? Yes! Why? Because you believe the welfare of the country depends upon the success of Democratic principles. Well, then, if you love your country, why are you not active in behalf of the principles which you believe will save and preserve its liberties and restore peace and prosperity? Are you waiting for your neighbor, for this man or that man, to move first in the work? That will never do. Put your own shoulder to the wheel! Let every man who glories in the name of Democrat, go to work! Be active, vigilant, bold!—This is no time for laggards and cowards! Democrats, yonder floats your glorious flag, far in the advance. Push on! Press forward! Victory awaits you, if you act like men, brave, determined, dauntless men. Have you not had enough of tyranny? Have you not had enough of Impeachment, of Radical revolution, of unequal taxation, of legislation that draws billions from your hard earnings, nay, have you not had enough of the political slavery which has crushed you to the earth for so many years? The time for your disenthrallment is at hand. *Strike now,* or be slaves forever!

EVERY VOTE! GET EVERY DEMOCRATIC VOTE TO THE OCTOBER ELECTION!

THE SKIES BRIGHT!

Democrats, the political sky is bright! Since the last Presidential election, we have gained the States of Connecticut, California, Oregon, New York, Maryland and Pennsylvania. Ohio and Indiana are close and will be carried in November for Seymour and Blair, if we again carry Pennsylvania in October. Kentucky, New Jersey and Delaware are with us, as they were for McClellan. Illinois will also go Democratic, if Pennsylvania sets her the example in October. Georgia, Alabama, Louisiana and Arkansas will do the same, notwithstanding the Negro vote and the disfranchisement of the whites. These states will give us the Presidency and a majority in Congress.—Democrats of Bedford county, each and every one of you, see to it that our county does its share to carry the State on the 13th of October!

ARE YOU A DEMOCRAT?—WORK FOR THE CAUSE.

ENDORSES NEGRO SUFFRAGE.

The Chicago Grant platform endorses the forcing of Negro Suffrage and Negro office-holding upon ten States of the Union. By this platform, Grant is pledged to the doctrine of the political equality of the Negro and the White man. John Cessna helped to make that platform. Whoever votes for Grant, or Cessna, votes to endorse this monstrous doctrine.

ATTENTION is called to the correspondence in another column, between J. W. Dickerson, Att'y for the commissioners, and his Honor Judge King, from which it will be seen that the ten days taxes must be paid to the Constables of the respective townships and boroughs. All the Constables have given bond and are therefore legally qualified to receive these taxes.

KIMMELL Vs. CESSNA.

Little Johnny laid out Flat!

He blows and squeals and snorts, but can't argue!

He gets mad and deals in abuse!

Poor Little Turncoat John!

On Friday and Saturday last, Judge Kimmell and J. Cessna met at Schellsburg and Bloody Run, to discuss the issues involved in the platforms of the two political parties. Judge Kimmell did discuss those issues and discussed them with great ability. J. Cessna did *not* discuss them. He went off at a tangent and ranted about the late war, in which he took no part, except in speaking at Democratic meetings. He did not dare to touch the financial question and evaded the greater part of the "reconstruction" issue. His speeches were the "old two-and-six pence" over again, which he has repeated during the past three years. Judge Kimmell fairly flayed him alive, and at Bloody Run the little fellow could stand it no longer. He got mad. He reared, and pitched, and picked his lips and pulled at the seat of his unmentionables, until his own friends became disgusted with him. A pretty specimen he would be to send to Congress! We would like it if he and Judge Kimmell could discuss jointly before the people of every township in this Congressional district. Such a course would elect Judge Kimmell by 1,000 majority.

CLEAR AS MUD.

The *Inquirer* undertakes to reply to our article on "Taxation," by asserting that the Democratic party was always a *free trade* party and advocated a *tariff for revenue!* This is clear as mud. *Free trade* means *no tariff at all,* and if the Democratic party has always been for *free trade,* as the *Inquirer* alleges, it certainly could not have been in favor of a tariff on sugar, tea and coffee. No, no, Mr. Lutz! That is too plain a contradiction. But the *Inquirer* does not and dares not deny that every farmer, nay every man, with an ordinary family, pays a yearly tax to the government of upwards of $40.00, and that this tax is laid on the necessaries of life. It has been imposed since the Radical party came into power and that party is responsible for it.

MAINE.

8,000 Democratic Gain!

The Rads. are whistling to keep up their courage over Maine, but it will not do. In the largest total vote that ever was polled, they get but 20,000 majority against nearly 28,000 at the last Congressional election. The Democrats have increased their vote since then, from 42,000 to 55,000! If we do as well in Pennsylvania, we will carry the state by 40,000 majority.

"Did you hear the news from Maine?"
Eight Thousand Democratic Gain.

OUT.

Virginia—glorious old Virginia—the mother of States and of statesmen, one of the original thirteen that achieved the independence of our country, the state that holds in her bosom the ashes of Washington, and Jefferson and Madison and Monroe and Patrick Henry,—and her younger sisters, Mississippi and Texas, are to-day *out of the Union.* They had got back under Andrew Johnson, but the Radicals kicked them out again and are keeping them out. Oh! Loyalty, what crimes are perpetrated in thy hackneyed name!

ARE YOU A DEMOCRAT?—WORK FOR THE CAUSE.

ENDORSES IMPEACHMENT.

Remember that the Chicago Grant platform endorses the Impeachment conspiracy. Every man who votes the Radical ticket, therefore, votes to endorse the conspiracy of Butler, Bingham, Boutwell and co., to depose the President.

WILL any "Republican", at any meeting which John Cessna may address, have the courage and independence to ask John the question, "Will you, if elected, vote for Kelly's bill to confer suffrage upon the Negroes of Pennsylvania, and all the Northern States?"

WE can prove that John Cessna tried to bribe the Democratic Senatorial Conferees for this district in 1863. Let John sue us for damages and we will prove what we say. Is such a man fit to go to Congress?

JOHN CESSNA DARES NOT say whether he will vote for Kelley's bill, now before Congress, to confer the right of Suffrage upon the Negroes of Pennsylvania and all the Northern States. If he is not a coward, he will define his position on this question.

ATTEND the meetings. Democrats, read the call for township meetings in this paper and see to it that they are well attended. Go yourselves and take your neighbors along.

DEMOCRATS, ATTEND TO YOUR ASSESSMENTS!

HIGHLY IMPORTANT TO VOTERS!

We hope every body will read the following correspondence. It settles the question as to whom the *ten days taxes* shall be paid. It will be seen that they must be paid to the *Constables* and not to the *Justices of the Peace.*

BEDFORD, PA., Sept. 21, 1868.

HON. ALEX. KING,

Sir:—Differences of opinion having arisen as to the proper construction of the new law for the collection of taxes, in this county, in relation to the sections regulating extra assessments, it becomes a matter of importance not only to the voters of both parties but to the proper administration of the law hereafter, that these differences should be settled and that a uniform practice should prevail throughout the county. The disputed question is: Who shall receive the ten days taxes? That is whether these taxes are payable to the constables, or to the justices of the peace, having the list of unpaid taxes in their respective townships.—Your Honor will confer a great favor on the county Commissioners by giving your opinion upon this point.

Very Respectfully Yours,
J. W. DICKERSON,
Att'y for Commissioners.

BEDFORD, Sept. 22d, 1868.

Dear Sir:—A very careful examination of the Act of Assembly to which you refer, has led me to the conclusion that the taxes imposed by the assessor in making the *extra assessments* mentioned in the 12th section, must be paid to the Constables of the different townships, who have been qualified as provided by law to receive the same, and when they have not been so qualified, to the collectors appointed by the Commissioners, under the authority conferred upon them by the 8th section of the Act.

The 12th section seems to be a special provision to enable the electors of the Commonwealth to qualify themselves to vote at the October election, and to afford them every facility for doing so. The word "collector" in this section cannot mean the treasurer, or the Justice of the Peace that is furnished with the schedule of unpaid taxes, as provided in the 3rd section. Their duty is to receive the taxes tendered by taxpayers, and not to collect or gather the taxes. This duty devolves upon the constable, or the collector appointed, where there is no constable qualified to act.

The provision that the assessor shall certify the names of the persons assessed, with the amount of taxes imposed, to the constables or collectors, is too plain to be misapprehended. If the Legislature intended that this certificate should have been made either to the Treasurer or a Justice of the Peace, as has been contended, it would have been so stated in the Act. No inference is to be drawn from the fact that the constables have nothing to do with the unpaid taxes certified to the Justice of the Peace, as the 12th section expressly gives the collection of these ten days taxes to the constables, and if to the constables, why not to the collectors who are merely substituted for constables refusing to perform the duties, or neglecting to qualify themselves by giving security, as required by the 8th section, on or before the 3rd Monday in September?

Yours Truly,
A. KING.

J. W. DICKERSON, Esq., Att'y to Commissioners.

SOLDIER, you and your comrades put the stars on Grant's shoulder and the $20,000 a year in his pocket. He has received and is receiving the price of your toil, your self-sacrifice and your blood. You are now asked to give him still more; to make him President in order that he may be a tool for Ben. Butler, Bob Schenck, Washburne and the rest of the Radical leaders. Hasn't he about enough and isn't it about time that the bond-holding nabobs disgorge some of their ill-gotten gains that you and the rest of the laboring masses may live in comfort?

SOLDIER, you fought for the *Union,* did you not? Three years and a-half ago the war ceased, and the Union you fought for is not yet restored. Grant's Radical friends in Congress thrust Virginia, Mississippi and Texas out of the Union, after they had returned, and are keeping them out to-day.

SOLDIER, when Lee threatened to overrun Pennsylvania, just before the battle of Gettysburg, Horatio Seymour, the patriot Governor of New York, hurried forward seventeen regiments of his troops to the rescue of the State, whilst Governor Curtin was palsied with fear.

SOLDIER, when Gen. Rosecrans' army was suffering with scurvy, and in need of wholesome food, Governor Seymour contributed vegetables and fruits from his own farm for their relief. No wonder "Old Rosey" is for him.

SOLDIER, when you and your comrades lay starving and suffering at Andersonville, Gen. Grant was appealed to for your exchange. He positively refused and left you to your fate.

SOLDIER, when you were confined in a Southern prison, Joe Brown, one of the present pets of the Radical party, was the rebel Governor of Georgia and looked on approvingly upon the atrocities of Andersonville.

WHITE MEN of the Sixteenth Congressional District! John Cessna sat in the Chicago Convention, cheek by jowl, with *nineteen coal black negroes!* He wants to sit in Congress with nineteen or twenty of the same sort.

WILL John Cessna inform the people of this Congressional district, whether he will or will not, vote for Kelley's bill to force Negro Suffrage upon all the States, North as well as South? *The people* want to know.

AN organization of the "White Boys in Blue" has been organized in this place, with Philip Huzzard, late of the 76th P. V., as Captain. It already outnumbers the G. A. R. in this place.

For the Gazette.

THE GOOD TIME COMING.

AIR—"*Kingdom Coming.*"

Say, Democrats, did you see the Raddies,
With a scowl upon their face,
Go down the road some time time this morning
Like they's goin' to leave the place?
They see a smoke way up Salt River,
Where they are going to stay,
And a floating scow built up in Maine
Has come to take 'em away.

Chorus:
Oh! Grant can't run, ha! ha!
The Raddies feel so sore;
There's surely now a good time coming,
For we'll beat 'em with Seymour.

There's Johnny Logan and Spoony Butler,
Riding in the Congress car,
They think they can steal from Uncle Samuel,
If they only talk of war.
But the people will drill these blundering generals
And they'll get so dreadful tann'd,
They'll try to fool the Salt River darkies
And pass for contraband.
Oh! Grant can't run, ha! ha!

The people, they are tired of taxes
On everything they see;
They want no Grants and no Colfaxes,
But a land, once more, of the free.
There's lots of wine in the bond-holder's cellar,
For taxes to pay he has none,
There's silks and laces for his daughter,
And a coach and four for his son.
Oh! Grant can't run, ha! ha!

Away down East they believe in witches,
And are afraid of spooks,
But they can't scare us with the cry of "rebel,"
For we're bound to "post the books!"
The war is past, the bayonet's rusty,
Ulysses' day is o'er;
He's old enough and big enough and ought to know better,
Than to run against Seymour.
Oh! Grant can't run, ha! ha!

FROM CARBON COUNTY.

MAUCH CHUNK, PA., Sept. 11, 1868.

MESSRS. EDITORS:—A short letter from this noted Borough, may not be uninteresting to the numerous readers of the GAZETTE. Mauch Chunk is a flourishing town, containing a population of from six to seven thousand souls, and deriving its importance principally from the vast amount of coal shipped from it. Although the town usually gives a small Radical majority, yet this is largely overbalanced by the county.

Carbon County, in previous elections, gave a Democratic majority as large if not larger than that of Bedford County and I am confident that at the coming election the majority will be increased.

At a Democratic meeting held here a few weeks since, several questions were proposed to the Radical leaders for discussion. This discussion came off on Friday evening of last week. It was opened on the part of the Democrats, by Dr. Leonard, who, in very forcible and glowing terms, proved to every unprejudiced mind the inconsistency of the Radical Party. He proceeded to prove that the public debt, instead of decreasing since the war, as it would have done by correct management, has been steadily on the increase. He depicted the utter ruin of the government, in case the Radicals were continued in power, and Grant elected to the presidency. He was replied to in a very feeble manner on the part of the Radical,, by Mr. Kalbfus, who is the Radical candidate for Congress in this district, and who will be beaten as he should be by a handsome majority.

The manner in which he evaded the several questions, was really amusing to every one. His arguments throughout were without the least foundation. The meeting passed off quietly and the Democrats certainly came out victorious. I have just understood that the discussion is to be resumed in different parts of the county. The Radicals take every possible means of evading the questions put to them regarding the public acts of their leaders.—They know they are wrong, but they are too proud and disdainful to abandon the sinking ship, while the last ray of hope of success is within their grasp.

The Democratic county convention of Carbon county assembled in the Court House in Mauch Chunk, on Monday, Sept. 7th. The convention in point of of respectability and intelligence well represented the Democratic party of the county. It was one of the largest as well as the most enthusiastic and harmonious Democratic conventions that ever assembled in old Carbon.

The watch fires of the Democrats are burning brightly, and clearly indicate that the Democrats of Carbon will stand shoulder to shoulder for Seymour and Blair, peace and prosperity, and a re-united country. The ticket nominated by the convention, is a most excellent one in every particular, and will be elected in October by a handsome majority. With my best wishes for the success of the Democratic candidates of Bedford County, my native place.

I am, Yours Respectfully, T. R. E.

THE D——DEST FOOLS.—Recently in Vicksburg, there was a large Democratic procession in which were borne several United States flags, which, at the request of several citizens, had been loaned them by the post quartermaster. The parade of voters being large and impressive, alarmed the carpet-baggers. Several of them called on General Gillem and complained that his officer had furnished flags to a procession which was "impeding reconstruction." "Gentlemen," said the General, "you are the d—dest fools I ever saw. I fought these people four years to make them carry the flag, and now you are mad because they wish to march under it."

It is a well-known fact that the Circassian beauties possess magnificent heads of hair. If its possession can lend additional charms to the semi-enlightened ladies of Circassia, how much more does it adorn the beauty of of our highly-cultivated American belles. It is easily attained by the use of "Barrett's Vegetable Hair Restorer."—*Washington (D. C.) Chronicle.*

It is reported that the great earthquake in South America swallowed up "three hundred millions of property." Our Radical party swallows up five hundred millions every year. The party is a worse gormandizer than the earthquake. It takes bigger swallows, and swallows oftener.

NEWS IN BRIEF.

Dr. Goold, of Dublin, arrived in New York last week, from the Artic regions, and gives some interesting particulars of Hall's Artic research expedition. Captain Hall, it is said, has ascertained definitely the circumstances of the death of the last two survivors of Sir John Franklin's party. Captain Crozier and a steward of one of the vessels died in 1864, near Southampton Island. Captain Crozier's watch and other relics are in Mr. Hall's possession, and he was to start in February or March last with an armed party of natives and Europeans to secure some records left by Franklin's men in King William's Land.

The Wyoming Territory papers publish a letter from General Sherman, stating that he will do all he can to protect the settlements with the small force at his command, and that he had given orders to drive all Plains Indians back to their reservations, which they were allowed to leave and hunt Buffalo, and that his soldiers have orders to disperse and destroy the hostile Indians.

Georgia will not allow negroes to sit in her legislature, and hence the Radicals proclaim that Georgia should be turned out of the Union. Yes! and then get up another war to whip her back into the Union, and a fresh Elysium for shoddy contractors and thieves of the people's money. If Georgia should be "turned out," it would be a popular place of resort until the "Rump" party should get through with its experiments of reconstruction.

Those who have worked the conversion of John Allen, the "Wickedest Man in New York," have been trying powers on Greeley, of the New York *Tribune,* to see if they could not stop his telling such monstrous falsehoods in his paper, and swearing so terribly when in conversation with his political friends. The Albany *Argus* says there were some hopes of success until they found the stolen Ingersoll letters in his possession, and then the effort was abandoned.

A sad sight was seen on Wednesday, at the corner of Third and Market streets, Harrisburg. A soldier, bearing upon his person seven wounds, his right arm completely disabled, his legs terribly shattered, was arrested at the instigation of a proscriptive Radical, for expressing himself favorably to the election of Seymour and Blair. He was engaged in selling songs.

St. Louis, September 19.—An Omaha dispatch says a party of government surveyors were surprised by Indians on the Republican River, south of Fort Kearney, on Wednesday. Edward Malone, a flagman, was killed, but the remainder escaped with the loss of their implements and one team.

A carpet-bagger in the Louisiana Legislature thought to speculate in cotton lands. He was bitten, his plantation turning out worthless; and so, being intensely loyal, procured the removal of the parish seat to a fictitious town which he locates right in the centre of his lands. Nothing pays like patriotism after all.

A Grant and Colfax club at Washington, have resolved, "That this club do hereby adopt as a uniform a linen duster, to be worn as in traveling, and a carpet-bag to be carried in hand." That is right. The duster signifies that they have "a dusty road to travel," and the carpet-bag is emblematical of the spoons and spoils they hope to steal.

In 1864 Grant referring to a proposition to nominate him for the Presidency, wrote: "I would regard such a nomination as being highly unfortunate to myself, if not to the country." Grant was undoubtedly sober when he wrote that.

It cost $180,000 a year to keep up the French Emperor's stable. This is $80,000 more than Louis Napoleon received when President of the Republic in 1848.

A number of whisky distilleries in New York, which have suspended operations by order of the revenue officers, for the last few months, recommenced business on Monday under the new law.

It is thought in Canada that the prospect of the new reciprocity treaty is very slight. It is considered that it will very much depend on Mr. Seward.

A party of government surveyors were surprised by the Indians on the Republican river, south of Fort Kearney and a flagman named Edward Malone killed.

A difficulty had arisen between the Colonial Government and the American consul at Sydney, concerning some contracts made under the consular seal.

At the New Hampshire State fair, just closed, the receipts were $13,000, of which over $6,000 was given away in premiums.

"Why don't the Southerners behave?"—*Tribune.*

"Ma, make Bill be quiet—every time I hit him on the head he hollers."

The Radical party whistles tremendously, but the country has to pay tremendously for its whistle. Hadn't we better sew up its mouth?

A Johnstown boy had his arm fractured in two places, while wrestling with a companion, the other day.

CLAIMS FOR DAMAGES.—We see by the Harrisburg *Morning Patriot* that W. M. McAlarney, Esq., Clerk of the board appointed to examine the claims of the residents of the border counties for damages sustained during the rebel invasions, and by the occupancy of their premises by Union troops during the war, furnishes the following brief statement.

We have had meetings in Perry, Bedford, and for a few days in Franklin, the great majority of claims in the latter county not having yet been presented. The following is the list of claims and the amounts as far as received up to the 13th of August:

Perry,	3	claim'ts,	amt'g to	$ 583 85
Bedford,	44	"	"	" 3,613.17
Fulton,	112	"	"	" 36,894.39
Franklin,	460	"	"	" 237,325.74
Total,	619			$278,417.15

Or about an average of $449.78 to each claimant. There have been claims as low as eight dollars and fifty cents ($8.50), and as high as thirteen thousand four hundred and forty-three dollars and fifty cents ($13,443.50) presented. The highest is by ex-Sheriff Taylor, of Franklin county, who had a fine drove of fat cattle taken from him by the rebels, near M'Connellsburg, in 1863.

CONUNDRUM.—Why is the big woman traveling with Bryan's Menagerie like a certain well known newspaper correspondent? Because she is the "Fat Contributor."

The weather is gradually growing cooler—and soon our trees will don their gorgeous autumnal tints of glorious garb and garniture.

An advertisement in the *Gazette* reaches all classes in our community. Business men may make a note of this fact and act accordingly.

It is said by those who have an eye to such nutritious matters, that both chestnuts and hickory nuts promise plenty this autumn.

Why is it that the prices of flour, beef, potatoes, and in fact all the necessaries of life, are so high as to be almost beyond the reach of the workingmen? Let our Radicals answer—or else shut pan.

If you wish to enjoy glorious grape jam, boil the grapes in a little water long enough to make them tender; then add a pound of sugar to each pound of grapes, and boil half an hour.

The smiles of a happy home are peculiarly pleasant; but we know several people so sweetly situated, who prefer "smiling" with their friends outside.

IN TOWN.—W. C. Logan, Esq., formerly of this place, now of Philadelphia, is in town. Mr. Logan was a member of the bar here, and served a term as District Attorney.

ELONGATED.—The countenances of the Radicals since Judge Kimmell has given John Cessna such a terrible lashing before the people, in the joint discussions. They will be lengthened to an alarming extent after the election.

CLUB MEETING.—The Bloody Run Democratic campaign club held a meeting on last Saturday evening, which was well attended. Speeches were made by J. M. Reynolds, W. C. Schaffer, R. W. Berkstresser and J. G. Fisher.

WRITING SCHOOL.—Prof Justus Habich will open a writing school in this place, in a few days, if a sufficient number of pupils can be obtained. We have seen some specimens of his penmanship which are very good. He can be seen at the Washington Hotel.

OUR enterprising friend, Irvine, of the *Regulator* establisment, is always receiving fresh supplies of boots and shoes, queensware and glassware, notions, groceries, &c., &c., in order to always be prepared to supply the increasing demands of his numerous customers.

Prof. Wickersham, who draws a large salary as State Superentendent, proposes to erect a monument to the memory of Thaddeus Stevens with money begged from the school children of the State. He will not get many pennies from the school children of this county to build a monument to the memory of the dead "commoner."

MUST HAVE BROWNS.—It seems the Radicals can not do without a Brown in their party. One of their Browns, John, of Harpers Ferry notoriety, and founder of the great National Debt, met with a serious misfortune by being suspended to the end of a rope. No sooner was old John's body moldering in the dust and his soul marching on, than up starts another Brown, Brown-*low* to take his place, who out-Herodded Herod in all the Radical deviltries of the last eight years. But John Brown and Brown-*low* were not enough. The devil needed more emissaries in the Radical party, and last, though not least, comes the founder of the Andersonville prison pens, Joe Brown, of Georgia. We wish the Radicals joy of their Browns. "Let us have peace."

EDITORIAL CHANGE.—The firm of J. C. Long & Co., editors and proprietors of the Bloody Run *Press*, has been dissolved, Messrs. Pennsyl and Hoffmyer retiring from the concern. D. S. Elliott has associated himself with Mr. Long, and that paper will hereafter be conducted by these gentlemen in the interests of the Radical party. We wish them every success except in their politics, which are of the vilest kind.

SUNDAY SCHOOLS in want of books will find it to their advantage to order them through the Inquirer Book Store, as they have special arrangements for supplying them at the very lowest rates.

ACCIDENT.—There was an explosion in Doct. Ayer's Laboratory, yesterday, which caused some excitement in the vicinity. Ayer's Pills are manufactured under enormous pressure, in cylinders, like cannon, which sometimes prove too weak for the compressed forces, and burst with terrific violence. Fortunately, the pieces do not fly far, so that no one has ever been hurt by by them. The action is more like ice than powder; but it makes Pills which all the worldacknowleged *are* PILLS.—*Lowell Daily Journal.*

WE have before called the attention of our readers to the American Organ, manufactured by S. D. & H. W. Smith, Boston, Mass. We feel at perfect liberty to do so, because we have used them practically, and believe most confidently that they possess every excellence to be desired. To the lover of music, such an instrument in the household is a constant delight. For the Sunday School and the Chapel, it is a most admirable substitute for the pipe Organ. There is a wonderful quantity of music in one of these beautiful instruments, and we are glad to learn that they are being appreciated by the public. The manufacture and sale has become an extensive business, and the demand is constantly increasing.—*St. Louis (Mo.) Record.*

SAXTON LODGE, No. 595, I. O. of O. F.,
Sept. 19th, 1868.

WHEREAS, It hath pleased Almighty God, in his inscrutable wisdom, to remove from this Lodge, by sudden death, our brethren, James L. Prince, assistant Sec'y, and James Clark;

Resolved, That we bow with humble submission to the divine will in this afflictive dispensation towards us, and that we feel ourselves admonished thereby to more earnest devotion to, and active effort in, promoting the best interest of our honorable Order.

Resolved, That the suddenness of their death impresses on each of us the necessity of immediate prparation for the end of our earthly existence, for severing the ties that bind us to each other, in the good hope of having a blessed re-union in the Grand Lodge of the Skies.

Resolved, That we cherish the memory of our departed brethren as that of punctual, consistent and energetic members of this Lodge.

Resolved, That we deeply sympathise with the families of the deceased in the sore affliction that has fallen upon on them; that we heartily commend them to the protection and love of Him who says, "Leave thy fatherless children, I will preserve them alive; and let thy widows trust in me;" and that we will faithfully discharge towards them all the duties made binding upon us by the high and sacred principles of our Order.

Resolved, That the families of our departed brethren be furnished, each, with a copy of these resolutions; also, that a copy be sent to the Bedford Gazette and Bedford Inquirer with a request to publish.

HON. A. K. McCLURE, Philadelphia, Solicitor.

The Chinese Government having (through the Hon. Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose commencing operations in China, and laying down a line of nine hundred miles at once, between the following ports, viz:

	Population.
Canton	1,000,000
Macoa	60,000
Hong-Kong	250,000
Swatow	200,000
Amoy	250,000
Foo-Chow	1,250,000
Wan-Chu	300,000
Ningpo	400,000
Hang Chean	1,200,000
Shanghai	1,000,000
Total	5,910,000

These ports have a foreign commerce of $900,000,000, and an enormous domestic trade, besides which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

The cable being laid, this company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must command there, as everywhere else, the communications of the Government, of business, and of social life especially in China. She has no postal system, and her only means now of communicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race. The latest returns made to her central authorities for taxing purposes by the local magistrate make her population *Four hundred and Fourteen millions*, and this is more likely to be under than over the actual aggregate. Nearly all of these, who are over ten years old, not only can but do read and write. Her civilization is peculiar, but her literature is as extensive as that of Europe. China is a land of teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To-day great numbers of fleet steamers are owned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose connecting all their great seaports, were now in existence, it is believed that its business would pay the cost within the first two years of its successful operation, and would steadily increase thereafter.

No enterprise commends itself as in a greater degree renumerative to capitalists, and to our whole people. It is of vast national importance commercially, politically and evangelically.

☞The stock of this Company has been unqualifiedly recommended to capitalists and business men, as a desirable investment by editorial articles in the New York *Herald*, *Tribune*, *World*, *Times*, *Post*, *Express*, *Independent*, and in the Philadelphia *North American*, *Press*, *Ledger*, *Inquirer*, *Age*, *Bulletin* and *Telegraph*.

Shares of this company, to a limited number, may be obtained at $50 each, $10 payable down, $15 on the 1st of November, and $25 payable in monthly instalments of $2.50 each, commencing December 1, 1868, on application to

ST. LOUIS and IRON MOUNTAIN RAILROAD COMPANY'S Seven per cent. first Mortgage Bonds. February and August Coupons. The earnings of the completed road to Pilot Knob are now more than the interest on the entire mortgage. The proceeds of these bonds are adding to the security every day. Over $8,000,000 have been spent on the property, and not over $2,000,000 of bonds issued thus far. The constantly increasing traffic of carrying ore, with the prospect of controling all the travel from St. Louis to the Southern States, insures an enormous revenue. The Directors own 8-10 of the stock for investment, and are interested to enrich the property as well as to economize its expenses.

THOS. ALLEN, President, St. Louis, Mo.

We, the undersigned, cordially recommend these seven per cent. mortgage bonds, of the St. Louis and Iron Mountain Railroad, as a good security. The revenue of the road will be large, and the administration of the affairs of the Company is in capable and experienced hands, and is entitled to the greatest confidence of the public.

Parties living out of the city can remit by draft or expresss, and the bonds will be returned by express free of charges. We invite the attention of capitalists and others to them, as, in our opinion, a very desirable investment, destined to rank as a first-class security. We have made Axes for twenty-two years, and won't yield the palm in shape to any manufacturer, and yet confess that a "Sucker of Illinois," called COLBURN, beats us in his patent shape. The circular bit and continuous edge makes the same labor produce twice as much effect.

MANHOOD: HOW LOST, HOW RESTORED. Just published, a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure (without medicine) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impendiments to Marriages, etc.; also, CONSUMPTION, EPILEPSY and FITS, induced by self-indulgence or sexual extravagance.

☞ Price in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

AYER'S
HAIR VIGOR,
FOR THE RENOVATION OF THE HAIR.
THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,
For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or Green SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
